

Storm Stoppers 2020 Pricing:

Your price is determined by the yield of your specific window and door measurements on our oversized 65 x 108" and 76 x 85" Storm Stoppers panel kits. Our quoting process calculates the necessary 3M fasteners for the perimeter, plus a 6% fudge factor for crossbars, so you don't run out. We also calculate the needed handles & primer for you to complete your DIY installation.
